An order has been approved and placed for new pool chairs! We're not sure when the pool will open this year due to the Coronavirus, but as soon as we get the green light to open, and the weather is warm, we will open! A total of 25 new chairs are on order. We also hope to have new, commercial grade, weighted umbrellas for the tables this summer. Thank you to the homeowners who attended board meetings this winter and provided helpful input.
