

LSV BOAT REGISTRATION DEADLINE NEARS

If you are a boat owner at LSV - boat stored at your unit or in designated boat rack/storage area by the lake - you may pick up your registration stickers in the office. Any boats not claimed by the end of August will be subject to removal from the property by the end of September. This is a partial listing of **boats not claimed or no stickers attached to date** - there may be others we have missed. If any of these have been listed in error, please contact the office. If you have stickers - please attach them ASAP. We want to make certain boats are accurately identified by the owners. Please help us continue in our efforts to clean up and organize LSV boat storage.
