Reports Continue to Come in to the Office About Dogs

Sorry to have to include this in another News to Use. Please be a considerate, responsible and law-abiding dog owner and neighbor. All dogs must be on a leash if they are outside of your property. In addition, all dog owners are expected to pick up after their pet. Thank you to the large majority of LSV dog owners who abide by the law and are considerate of their neighbors.

Stay Informed - Visit the Website

The LSV website is a great source of information for all homeowners and residents. Everything from the history of the lakes, to pictures of life at the Village in the 70's and 80's, to answers to many questions in the Covenants, Conditions and Restrictions (CCRs), Rules and Regs, Policies and Procedures, to monthly meeting minutes and financial reports, to the 5 year Capital plan and much more. There is also a password protected, voluntary homeowner directory. If you would like to be included, please contact the office. The HOA board works hard to keep the website up-to-date and user friendly. If you have updates or input to share, please call or email the office. The website is for you.

Lexington Trick or Treat Rescheduled to Saturday Afternoon

Due to concerns about safety, mainly because of the crazy weather, the LFUCG has re-scheduled trick or treating for Saturday afternoon from 3 - 5pm. It's going to be tough having that candy in the house for an extra 2 days!

Time Change on Saturday Night

Remember to set your clocks back 1 hour on Saturday night. If you have lights on timers, you'll need to adjust them too. Enjoy that extra hour of sleep.

As always, contact the Property Management office with any requests, suggestions, concerns or ideas you may have. And remember, the office is closed on Wednesdays.

Happy Halloween Everyone! Be careful out there. And please, disconnect

your outdoor hoses!
