

LSV Surplus Boat Auction - November 2019

There are four boats that will be available for auction, a canoe, and three fishing boats of various lengths. Boats can be inspected by the clubhouse. If you flip one, please turn it back over to prevent it from filling with water.

LSV has tried for over a year to identify the former owners of these boats to no avail. We are offering homeowners the opportunity to purchase them prior to listing them on marketplace for sale. Unsold boats will be removed from the property.

To bid on any of the boats:

1. Place your bid with the boat number on it along with your name and phone # in a sealed envelope marked Surplus Boat Auction
2. Drop it in the clubhouse mailbox no later than November 8 by 5 PM.
3. Minimum bid for all boats is \$25.00

All funds raised through the auction will be used for improvements to the launch and storage area.
